

### Master-Class:

#### **TECHNIQUES THAT STIMULATE GROUP INNOVATION AND CREATIVITY**

Join inter-arise on **Thursday 29th July** for a powerful master-class on: Techniques That Stimulate Group and Team Innovation and Creativity.

In July's **FunkyFriday** we share best practice about group and team creativity and innovation and you get to experience powerful processes that you can apply immediately to enhance group creativity, innovation and engagement.

This is a powerful, practical skills boost for project/team leaders and managers, trainers, meeting and workshop facilitators, HR practitioners - anyone that works with groups and wishes to further enrich his/her knowledge, skills and group experience.

**Time: 08:30 to 12:30**

**Venue: The German Chamber, Oxford Road,  
Forest Town, Johannesburg**

**Investment: R 325.00 (excluding VAT) including refreshments and materials**  
**e-mail [vasintha@inter-arise.com](mailto:vasintha@inter-arise.com) to register now.**

**See you on the 29th July !**

For your diary: The next FunkyFriday master-class is on the 20th August 2010. We have an exciting workshop on Graphic Facilitation planned so book the date in your diary now!

inter-arise, formerly The Process Practice, is a group coaching and facilitation services provider. We are dedicated to enabling effectiveness through facilitating processes that cut through unproductive patterns, and that harness the power of groups to create solutions, accelerate delivery and enrich individual and organisational meaning.
